MEMORANDUM FOR: Deputy Director of Central Intelligence
Deputy Director for Intelligence
Deputy Director for Management and Services
Deputy Director for Operations
Deputy Director for Science and Technology
Secretary, CIA Management Committee

SUBJECT: DCI's Response to the Supplement to the Annual
Report

1. The DCI's response to the Supplement was, in part: "... Indeed I will have regular meetings with individual DD's to review their performance against objectives. I would suggest that these rely heavily on oral communication with submission of examples of performance in terms of results. I think DDCI and Sec. Mgt. Comm. should attend and Compt. be the organizer."

2. I believe it accurate to say that the Director has accepted the comments and recommendations of the Supplement. Thus, there is good indication of how we should proceed with our role of organizer. I expect to make a specific proposal within the next two weeks or so.
